### ITALTHAI MARINE to Build Two PSV for OPIELOK

Opielok Bereederungs GmbH & Co KG had ordered two platform supply vessels from Italthai Marine including option to build four vessels within 2011.

The new vessels will be about 70 m in length rated at 3000 DWT.

The vessels will accommodate 28 persons, have full under deck PSV capacities for carrying 2700 Cu.m tank cargo and 1000 Tons deck cargo. They also will be provided device for external fire fighting and rescue operation.

Two Azimuth thruster will be installed which powered by two GE 12V228 engines developing 2000 kW for each. Three tunnel thrusters at bow give good maneuvering.

The total value of the contract is approximately USD 45.7 million. The vessels are scheduled for delivery in Q2 and Q3 2010.

Vessel type Platform Supply Vessel  
Length 71.47 m
